Welcome to the College of Education!
You are receiving this handbook because you are enrolled in a major that leads to initial educator certification. The College of Education (COE) provides accreditation oversight to all educator preparation programs at FSU, even those located in other Colleges, such as Fine Arts or Arts & Sciences.

Please take the time to carefully read through the following materials, as they include important information about what makes your major different than other majors across campus. There is a team of staff and faculty who are here to answer your questions and guide you along your pathway to becoming an educator or educational leader! I am happy that you have chosen a career that many of us in the COE have worked in for most of our lives. We think working with children in our P-12 schools is an amazing career and we hope you find it equally as satisfying.

Wishing you a wonderful academic year and Go Noles!

What is Educator Preparation?
You are enrolled in a Florida state-approved initial teacher preparation program. In order for you to be eligible for an initial certification, the Florida Department of Education (FLDOE) requires the College of Education to carefully collect and closely monitor your academic progress and completion of specific milestones.

The FLDOE refers to students enrolled in initial certification programs as “candidates” or “teacher candidates”. If you see this language, know it is referring to you.

Advising Resources
The College of Education provides a variety of advising resources to all students. The Office of Academic Services and Intern Support (OASIS), located on the second floor of
the Stone Building in Suite 2301, provides central advising services and academic support. Students enrolled in a COE combined BS/MS pathway will receive additional academic support through the BS/MS Advisor. For more information about OASIS and contact information for all staff, please go to www.education.fsu.edu/OASIS

Your department and academic program also provide advising resources specific to your major. Each program has a main contact referred to as the Program Coordinator.

**Curriculum Maps**

A complete listing of all the required courses for your major is available on the COE website at [https://education.fsu.edu/student-resources/student-academic-services-oasis/educator-preparation](https://education.fsu.edu/student-resources/student-academic-services-oasis/educator-preparation). These curriculum maps show the program’s course sequence by term, the number of credit hours for each course, where university requirements are met, the number of field experience hours associated with the course, and courses in which Signature Assessments and Dispositions are assessed in courses throughout the program.
**Educator Preparation Milestones**

All students enrolled in a Florida state-approved program must meet specific milestones throughout their program in order to graduate:

1. Complete all program courses with appropriate minimum grades
2. Demonstrate positive professional dispositions
3. Complete Signature Assessments at appropriate performance level
4. Complete Early Field Experiences at appropriate performance level
5. Pass all Florida Teacher Certification Exams (FTCE’s)
6. Complete Student Teaching at appropriate performance level

The College of Education and your program coordinator will work collaboratively to help you meet these important milestones. Students that are unable to meet these milestones will be required to change their major out of educator preparation.

Students must earn a grade of B or better (B- or lower is not accepted) in all graduate coursework taken while enrolled in the undergraduate portion of the combined BS/MS degree program. Otherwise, the course(s) must be repeated.

Student must earn a grade of C- or higher in all graduate-level courses taken while enrolled in the graduate portion of the combined BS/MS program. Credit hours for graduate courses graded below a C- will not apply toward the MS degree and must be repeated but are computed in the graduate GPA. A minimum cumulative FSU graduate GPA of 3.0 is required to maintain good academic standing and for graduate degree conferral.
Use of LiveText
Completion of a Florida state-approved educator preparation program requires students to demonstrate mastery of the standards outlined in the Uniform Core Curriculum in Section 1004.04, Florida Statutes. These include the following standards:

- Florida Educator Accomplished Practices (all programs)
- Reading Endorsement Competencies (Elementary Education, English Education, Special Education and Visual Disabilities Education)
- ESOL Standards (Elementary Education, English Education, Special Education and Visual Disabilities Education)
- Autism Standards (Special Education)

In order to track and collect data on the Signature Assessments, FSU has adopted LiveText. LiveText will be used for you to upload your assessments as you progress throughout your program.

A LiveText membership is required for successful completion of a Florida state approved teacher preparation program. Your membership is good for five years and allows you to retain evidence of your demonstration of the Florida Educator Accomplished Practices and Reading Competencies. The LiveText membership costs $139.00 and you must purchase the membership within the first 30 days of the first semester in your program. Failure to do so will result in a registration hold.

In order to purchase a LiveText membership, please go to https://www.livetext.com/purchase_membership/

You will need to fill out the required information and select the LiveText “Student Membership Field Experience Edition - $139” in the drop down. If you have any issues with registering your membership, please contact LiveText at support@livetext.com or by phone at 1-866-548-3839. If you have any questions about program requirements for LiveText you may contact Tonya Jones at tjones7@fsu.edu or by phone at 850-644-1627.

Dispositions
Dispositions are defined as “habits of professional action and moral commitments that underlie an educator’s performance” (InTASC Model Core Teaching Standards, p. 6).

You will be required to demonstrate positive professional dispositions in your courses and field experiences. The instructors in your educator preparation courses will evaluate
your dispositions each semester in LiveText. You must demonstrate professional dispositions with an average score of 3.00 across all courses each semester. During the semester prior to student teaching, you must demonstrate professional dispositions with an average score of 4.00 across all courses in that semester.

For more information about the Disposition Evaluation tool used by the COE, please visit http://education.fsu.edu/student-resources/student-academic-services-oasis/educator-preparation.

**Student Success Plans for Dispositions**
If a student does not maintain an average disposition score of 3.00 in all courses each semester or a 4.00 in the semester prior to Student Teaching, they will be placed on a Student Success Plan. Faculty may also place a student on a Student Success Plan if they have concerns. Student Success Plans will provide the student with comments on all scores below a 3, specific recommendations for improvement, and a timeline for meeting the requirements.

**Signature Assessments**
Throughout the program, courses will include Signature Assessments that must be uploaded into LiveText. Signature Assessments have been identified by the College to assess your mastery of FLDOE outcome standards. FLDOE requires all state approved programs to assess individual teacher candidate performance throughout coursework, field experiences, and student teaching.

There are four types of Signature Assessments:
- FEAP Signature Assessments (all programs)
- Reading Signature Assessments (Elementary Education, English Education, Special Education Teaching)
- ESOL Signature Assessments (Elementary Education, English Education, Special Education Teaching)
- Autism Signature Assessments (Special Education Teaching)

Standards-based rubrics will be used to evaluate Signature Assessments and there are minimum levels of performance associated with all Signature Assessments. If a student receives a rating below the minimum level of performance, the student will need to remediate the assignment within LiveText through resubmitting the Signature Assessment during the course.
FEAP Signature Assessments (All Programs)
The FLDOE requires that all teacher education candidates demonstrate mastery of the Florida Educator Accomplished Practices (FEAPs), which are the state’s core standards for effective educators. The FEAPs are organized around 6 areas, with a total of 37 indicators that must be assessed during your coursework and field work. Appendix B includes a full description of the FEAPs.

There are 8 FEAP Signature Assessments (FSAs) that are embedded in your program. FSA 1-8 are located in your various coursework.

FSA Minimum Level of Performance:
- FSA 1–8: Developing 2 for all FEAPs criteria

There are FSAs that also evaluate Florida Department of Education Reading Endorsement Competencies and/or ESOL Standards. The minimum level of performance for ESOL standards in FSAs is Developing 2. The minimum level of performance for Reading Endorsement Competencies in FSAs is Target.

Appendix C includes a full description of the Reading Endorsement Competencies. Appendix D includes a full description of the ESOL Standards. Please see the Curriculum Maps in order to see in which courses FSAs are assessed.

Reading Signature Assessments (Elementary Education, English Education, Special Education)
The FLDOE also requires that all teacher education candidates demonstrate mastery of Florida Reading Competencies that have been developed by Just Read, Florida. There are various Reading Signature Assessments (RSAs) embedded in your program. You will fall into one of the two following groups based on the program in which you are enrolled.

Visual Disabilities
All students must show mastery of Reading Competencies 1 & 2 if they are enrolled in Visual Disabilities. These students will learn to enhance literacy skills as they apply to their specialized field of instruction, as these fields are not considered to provide primary literacy instruction.

RSA Minimum Level of Performance:
- RSAs 1 – 4: Target for all Reading Endorsement Competency Criteria
- See Curriculum Maps in order to see in which courses RSAs are assessed.
**Elementary Education, English Education, Special Education**
All students enrolled in Elementary Education, English Education, Special Education must show mastery of Reading Competencies 1-5. Students in these programs will be eligible for a Reading Endorsement as part of their initial teacher education program. There are also ESOL standards that are assessed in specific RSAs.

**RSA Minimum Level of Performance:**
- RSAs 1-5: Target for all Reading Endorsement Competency criteria, Developing 2 for all ESOL Standards criteria
- RSA 6: Target for all Reading Endorsement Competency criteria and ESOL Standard criteria

Appendix C includes a full description of the Reading Endorsement Competencies. Please see the Curriculum Maps in order to see in which courses RSAs are assessed.

**ESOL Signature Assessments (Elementary, English Education, and Special Education)**
The FLDOE requires that specific teacher education candidates demonstrate mastery of Florida ESOL Standards. Mastery of these standards are measured though the use of ESOL Signature Assessments (ESAs).

ESAs are only applicable to ESOL Endorsed Programs, which includes Elementary Education, English, and Special Education. Students enrolled in these programs must show mastery of all ESOL standards in order to be eligible for an ESOL Endorsement as part of their initial teacher education program.

**ESA Minimum Level of Performance:**
- ESAs 1 -2: Developing 2 for all ESOL Standards Criteria

Appendix D includes a full description of the ESOL Standards. Please see the Curriculum Maps in order to see in which courses RSAs are assessed.

**Autism Signature Assessments (Special Education)**
Students in the Special Education BS/MS pathway are required to show mastery of the Council of Exceptional Children’s (CEC) Initial Preparation Standards for Developmental Disabilities and Autism Spectrum Disorder. Mastery of these standards are measured through Autism Signature Assessments (ASAs) embedded in coursework. Students are eligible for the Autism Endorsement as part of their initial teacher education program.
ASA Minimum Level of Performance:
- ASAs 1-10: Target on all Standard criteria

Appendix D includes a full description of the ESOL Standards. Please see the Curriculum Maps in order to see in which courses ASAs are assessed.

Student Success Plans for Signature Assessments
If a student has not met the minimum performance expectations for a Signature Assessment or has not submitted a Signature Assessment, but has a passing grade in the course, they will be placed on a Student Success Plan. Students who have not submitted a Signature Assessment will have a hold placed on their registration. Student Success Plans will provide the student with comments on all scores below minimum performance requirements, specific recommendations for improvement, and a timeline for meeting the requirements. All Signature Assessments must be submitted and scored at minimum performance expectations in order to finalize a student teaching placement.

Early Field Placements and Evaluations
Early field experiences provide an opportunity to participate in teaching activities in a classroom with a certified teacher. Instructors work with our Field Placement Coordinator in OASIS to provide a diversity of placements, supportive supervision, and an experience that will challenge and help re-affirm the choice of profession. School districts have taken precautionary measures to ensure the security and safety of their students. To gain entry into schools and to comply with the Jessica Lunsford Act, you must:

- Complete a Level II background screening (fingerprinting). Application forms must be obtained from OASIS in 2301 Stone building and the screening is done at Leon County Schools. Cost of the screening and red badge is $95 and is effective for five years.
- Secure and provide proof of medical insurance

It is strongly recommended that you purchase professional liability insurance. For more information about professional liability insurance, please visit www.education.fsu.edu/OASIS and click on “Clearance Procedures for Field Experience.”

Students will be evaluated on their performance in field experiences in the second and third year of their program. These evaluations will provide students with areas of strengths and areas for improvement in their teaching practice. These evaluations will assist students in preparing for their student teaching experience in their master’s year.
For more information about these field experience requirements, please contact Tala Hagan in OASIS at thagan@fsu.edu. The hours for early field experiences vary based upon your major and semester. Please see the above section titled “Curriculum Maps” for a link to a listing of these hours.

**Florida Teacher Certification Examinations (FTCE)**
Section 1004.04, Florida Statutes requires that all candidates pass all three sections of the Florida Teacher Certification Examinations in order to be endorsed as a program completer. The General Knowledge exam is taken prior to admission to your program. The other two tests you must take are the Professional Education Examination and the Subject Area Examination specific to your program. These must be taken prior to student teaching.

**Exam Preparation**
Test preparation resources provided by the state of Florida can be found at the following link: [http://www.fl.nesinc.com/resources.asp](http://www.fl.nesinc.com/resources.asp). In addition, the Office of Academic Services & Intern Support (OASIS) maintains a collection of study guides for all Subject Area Exams and the Professional Education Examination. Currently enrolled FSU students may borrow two study guides at a time for up to 7 days. OASIS is located in the Stone Building, Room 2301. Our office hours are 8:00 AM – 5:00 PM. For more information on our test preparation resources, please visit [https://education.fsu.edu/test-prep](https://education.fsu.edu/test-prep).

**Exam Registration**
To register for either the required Subject Area Exam, please visit the FTCE website. When registering, be sure to request that your scores be sent to Florida State University. You must make this request at the time of registration. OASIS will also request your official exam results directly from the testing, but this will take an additional 5-7 days from when the test scores are released.

Scores for the Professional Education Examination and all Subject Area Examinations that are multiple choice may take approximately 2-3 weeks to be reported to the university. Subject areas that have subtests with written essay components may take approximately 4-6 weeks for scores to be reported. It is essential that you take the exam in a timely manner to meet the deadline for passing scores for student teaching for your program.

No teacher candidate may begin student teaching without official passing scores on the appropriate Subject Area Examination or the Professional Education Examination by the
deadline. There are no exceptions to this policy.

**Deadlines for Verifying Passing Scores:**
The Office of Academic Services and Intern Support (OASIS) is responsible for verifying official Subject Area and Professional Education Examination scores in the score reporting system. **Please note that unofficial exam score reports or screen shots of Exam score reports are not acceptable.** In order to finalize their placements for student teaching, official passing scores must be verified by the deadlines outlined in the table below. **Failure to meet the final deadlines will result in a delay in student teaching until the following semester.**

**Student Success Plans for Florida Teacher Certification Examinations**
If a student does not pass one of the required Florida Teacher Certification Examinations, they will be placed on a Student Success Plan and provided with test preparation prior to their next attempt on the exam. Student Success Plans will provide the student with competency and scaled scores that need improving, specific recommendations for improvement, and a timeline for meeting the requirements.

**FSU Academic Honor Policy**
It is important to remember that the FSU Academic Honor Policy applies to both your coursework and field work. We recommend that you become familiar with the Academic Honor Policy at [http://fda.fsu.edu/Academic-Resources/Academic-Honor-Policy](http://fda.fsu.edu/Academic-Resources/Academic-Honor-Policy)

Forging field experience logs, collaborating on assignments that are not group work, reusing assignments in classes without instructor permission, and fabricating data are all violations of the

Please be aware that using social media to collaborate on and share course exams or assignments with other students that are not identified by the course instructor as group work is a violation of the FSU Academic Honor Policy. If you have any questions, contact your instructor to ask for clarification.

**Student Grievance Process**
If you are experiencing issues in any of your classes, it is important to attempt to resolve these issues through the proper processes. Appendix E includes the general student grievance process at FSU.

The above process does not cover grade appeals, which follow a separate, time sensitive process. For more information, go to [http://fda.fsu.edu/Academic-Resources/Academic-Integrity-and-Grievances/Grade-Appeals-System](http://fda.fsu.edu/Academic-Resources/Academic-Integrity-and-Grievances/Grade-Appeals-System)
**Bullying and Harassment**
The FSU Student Code of Conduct forbids FSU students from engaging in face to face or on-line harassment and bullying.

“This policy prohibits any form of harassment on the basis of actual or perceived membership in a protected class, by any member or group of the campus community, which unreasonably interferes with an individual’s work or academic environment.

This environment may be created by verbal, written, graphic, threatening and/or physical conduct that is sufficiently severe, persistent, or pervasive so as to interfere with, limit, or deny the ability of an individual to participate in or benefit from educational programs or activities or employment access, benefits, or opportunities. Merely offensive conduct and/or harassment of a generic nature not on the basis of membership in a protected class may not result in a violation of this policy but may be addressed through education and/or other resolution methods.”

As a future educator, it is essential that you do not engage in any behaviors that could be perceived as bullying or harassment, including online behaviors. Any reported instances will be sent directly to the Dean of Students as a violation of the FSU Student Code of Conduct and will be documented as part of the Dispositional Evaluation process. Documented instances of harassment or bullying may result in program dismissal.
